new State of Uttaranchal, the Shrinagar Hydro Electric Project (330 MW) being implemented by M/s. Duncans North Hydro Power Company Ltd., will be located in State of Uttaranchal. The project is yet to achieve financial closure and commence construction activities. During recent meetings convened in the Ministry of Power with representatives of the Government of Uttar Pradesh and Government of Uttaranchal as well as the promoters etc., it was informed that necessary changes in the power purchase agreement due to reorganization of the two States would be finalised shortly.

Counter Guarantee for Mangalore Power Project

1577. SHRI JANARDHANA POOJARY: Will the Minister of POWER be pleased to state:

(a) whether Government of Karnataka has requested the Central Government to provide Counter-guarantee in respect of the Mangalore Power Project without the ESCROW clause;

(b) if so, the details thereof;

(c) the details of other such power projects being implemented in the country on the basis of the Counter-guarantee provided by the Central Government with and without ESCROW Clause;

(d) whether Government of Karnataka has proposed alternative security mechanism to remove the stalements created by the Centre's insistence on ESCROW; and

(e) if so, what are the details and the reaction of Government?

THE MINISTER OF STATE IN THE MINT1STRY OF POWER (SHRIMATI JAYAWANTI MEHTA): (a) Yes, Sir.

(b) The Deepak Parekh Committee set up by the Government of Karnataka (GOK) has advised the State Government against allocation of any escrow cover to Independent Power Producers. Keeping in view recommendations of the above committee, GOK have expressed inability to provide escrow cover to the Mangalore Power Project. The request of the State Government to issue counter-guarantee without escrow has not been agreed to and they have been requested to suggest alternate payment security mechanism, if any.
